This home features an updated three bedrooms and a full bathroom on right side with a large open convertible space on the east side open to possibilities with an extra 2 half baths. Left side of the property used to be the historic "Greenfield Inn" Bar, walking back in time, is still the same setup and features of tables/bar/pool table, and more. No Zoning in Williams Township, so could be converted to additional permanent residential living space, and/or possibly an in-home business. The basement provides ample storage, laundry space, and walk-out to the rear yard leading to the 2-story detached garage that adds convenience for your extra vehicles and/or hobbies. Enjoy the outdoors there overlooking a huge yard on double lot of 0.86 acres. Off-street paved parking lot out front can accommodate up to 4 cars comfortably.
